To Whom it may concern,

I, as the service manager for Ainsworth Ottawa, can confirm that we currently service the Jules Leger Center at 281 Lanark Street in Ottawa. As part of our contract, we have ensured that all required units have a MERV 13 filter in them and that we continue to do regular maintenance on a quarterly basis.

Please feel free to reach out if there are any additional questions,

Your truly,

Jordan Sommerville
